Summary

I am a passionate and results-oriented professional with over 05 years of experience in the technology industry. I have a proven track record of success in leading and managing teams, developing and delivering innovative solutions, and driving business results.

I am skilled in a variety of technologies, including Javascript(MERN), Php(Laravel), WordPress, and SQL. I am also proficient in a variety of web applications development methodologies.

I am a highly motivated and self-directed individual with a strong work ethic. I am also a team player and I am always willing to help others.

I am looking for a challenging and rewarding opportunity where I can use my skills and experience to make a positive impact.
